

# Suggested Interview Questions

**Brenda Schaeffer, D.Min., M.A.L.P.**

Licensed Psychologist, Certified Addiction Specialist, and  
Bestselling Author

- What is love addiction?
- What is love?
- What do you mean that love is not a relationship, feeling, chemistry, behavior or thought?
- You say we are love handicapped. Why?
- Why are love relationships so problematic?
- Do you find that people who are love-addicted have a history of other addictions?
- Where does love-addiction come from?
- Why does love-addiction always seem to be a woman's problem? Don't men become love addicted too?
- In your book you say, "blissfully harmonious, mature interdependency is but an ideal toward which we strive." Does anybody ever get there?
- Tell me about power plays...give me an example; does it take two to play? How does one get out of using power plays?
- Are all addictive relationships fixable?
- Can only one person be addicted in the relationship or does it take both parties?
- Can you really solve this kind of problem by reading a book? You wouldn't recommend that kind of treatment for alcoholism would you?
- What is the difference between love, romance and sex addiction?
- What is a sex addict?
- Is there a connection between love addiction and all the violent and abusive relationship stories we hear on the daily news?
- Was love addiction a factor in the O.J. Simpson and Clinton dramas?
- Why is it some people seem to keep repeating history in their relationships?
- Why is it so hard for people to open up their hearts?
- Why should we read your books?
